CAUTIONARY STATEMENT: It is anticipated that some of the statements made at the special meeting will be forward-looking statements. Forward-looking statements may be identified by words or phrases such as "plan" or "strategy"; that an event or trend "may", "should", "will", "is likely", or is "probably" to occur or "continue", has "begun" or "is scheduled" or that the Company or its management "anticipates", "believes", "estimates", "plans", "forecasts", "intends", "predicts", "projects", or "expects" a particular result, or is "committed", "confident", or "optimistic" that an event will occur, or other words or phrases such as "ongoing", "future", "signs", "efforts", "tend", "exploring", "appearing", "until", "near term", "going forward", "starting" and variations of such words and similar expressions. Such statements are based upon current beliefs and expectations and involve substantial risks and uncertainties which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These statements may include, among others, statements related to our proposed offering of common stock. Our ability to successfully complete the proposed offering and comply with regulatory capital requirements is not assured and, to a certain extent, beyond our control. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions ("risk factors") that are difficult to predict with regard to timing, extend, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what may be expressed or forecasted in such forward-looking statements. Macatawa Bank Corporation does not undertake to update forward-looking statements to reflect the impact of circumstances or events that may arise after the date of the forward-looking statements. Risk factors include, but are not limited to, the risk factors described in "Item 1A - Risk Factors" of Macatawa Bank Corporation's Annual Report on Form 10-K for the year ended December 31, 2010. These and other factors are representative of the risk factors that may emerge and could cause a difference between an ultimate actual outcome and a preceding forward-looking statement.

The meeting and this report are not an offer to sell or the solicitation of an offer to buy shares of our common stock or any other securities. A registration statement relating to the securities that we intend to offer in the offering has been filed with the Securities and

Exchange Commission, but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. To obtain a copy of a written prospectus for the offering, a prospective investor may contact Macatawa's Secretary, Jon W. Swets, at 10753 Macatawa Drive, Holland, Michigan 49424.
