**Macatawa Bank Corporation Substantially Increases Quarterly Dividend**

**HOLLAND, Mich. (April 27, 2015)** – Macatawa Bank Corporation (Nasdaq: MCBC) (the "Company" or "Macatawa") today announced that its Board of Directors has declared a quarterly cash dividend of \$0.03 per share on its common stock to be paid on May 29, 2015 to shareholders of record on May 14, 2015.

This quarter's payment represents a 50% increase from the previous quarterly dividend rate and marks the sixth consecutive quarterly cash dividend since resumption of payment of cash dividends to common shareholders in early 2014. A year ago, the Company's Board of Directors resumed payment of quarterly cash dividends to common shareholders given Macatawa's strong capital position and consistent earnings performance over the last few years. Based upon the closing price of MCBC common stock on April 24, 2015 of \$5.34 per share, the new dividend rate translates into an annualized dividend yield of 2.25%.

"We are pleased to not only continue our quarterly dividend program, but to make a significant increase in the amount of the payment to our shareholders," said Ronald L. Haan, President and CEO of the Company. "The continued improvement in Company earnings performance and our strong capital position makes this increase possible."
