LARGEST LOCAL BANKING COMPANY TO BE CREATED BY MERGER OF MACATAWA BANK CORPORATION and Grand BANK Financial Corporation

Holland, Michigan and Grand Rapids, Michigan - Macatawa Bank Corporation (Nasdaq: MCBC) and Grand Bank Financial Corporation announced today that they have signed a definitive agreement for the merger of Grand Bank Financial Corporation into Macatawa, which will result in Macatawa Bank Corporation becoming the holding company of Grand Bank and Macatawa Bank. The combined organization would be one of the largest banking organization in Kent and Ottawa Counties. The transaction has been approved by the Boards of Directors of both corporations.

Grand Bank shareholders will receive 17.5979 shares of Macatawa common stock for each share of Grand Bank stock. Based upon the \$16.75 per share November 20 closing price for Macatawa's common stock, the total transaction value is approximately \$40 million. The transaction is expected to close in the second quarter of 2002, at which time Grand Bank will become a wholly-owned subsidiary of Macatawa.

Macatawa anticipates that the transaction will be accretive to earnings per share in 2002. Cost reductions of 10% are anticipated for the combined companies through consolidation of operating systems and other support costs. No staff reductions are anticipated.

Ben Smith, Chairman of Macatawa, commented, "This is an excellent opportunity for Macatawa Bank and for Grand Bank. Grand Bank and Macatawa Bank have similar cultures and business philosophies. Grand Bank, like Macatawa Bank, was founded by strong community minded leaders who believed in the mutual benefits of local banking to our communities, our customers, our employees and our shareholders. Grand Bank has a reputation of a high level of customer service and community involvement as does Macatawa Bank. Our alliance, at a time of a rapidly changing and competitive environment, will allow us to compete more effectively and efficiently in the attractive banking markets of Kent, Ottawa and Allegan counties."

Mr. Smith added "We believe the combined strength of Macatawa Bank and Grand Bank will allow us to better serve our communities. We now will have the additional opportunity and capacity to branch and to invest in technology that is necessary to prosper in this increasingly, competitive financial services market."

Charles Stoddard, Chairman of Grand Bank Financial Corporation commented, "This merger is an excellent opportunity for our shareholders, associates and clients. An important part of the transaction is that Grand Bank will continue to operate as a separate bank charter with a local management team and board of directors. Grand Bank will continue to strive to maintain the highest level of personal service for our customers and community. The added resources of a larger banking company will assist Grand Bank in expanding our reach to other areas of West Michigan."

Each Bank will continue to operate as an independent bank having local directors and local decision making. Upon completion of the transaction, Charles Stoddard, the current Chairman and Chief Executive Officer of Grand, will retire to become more involved in church and volunteer activities and Tom Wesholski, Grand's

President, will become Chief Executive Officer of Grand Bank.

The merger is subject to approval by Macatawa and Grand shareholders, approval by bank regulator agencies, and other customary conditions. Additional information will be provided in the Prospectus/Proxy Statement to be distributed to Grand and Macatawa shareholders in connection with the shareholder meetings to approve the transaction, which are expected to occur in the first quarter of 2002.
