PROXY STATEMENT

**For the Annual Meeting of Shareholders
to be held April 24, 2003**

SOLICITATION OF PROXIES FOR ANNUAL MEETING

This Proxy Statement is furnished to the Shareholders of Macatawa Bank Corporation (the "Company") in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Shareholders which will be held at Ridgepoint Community Church, 340 104th Avenue, Holland, Michigan 49423, April 24, 2003, at 10:00 A.M., local time.

The Annual Meeting is being held for the following purposes:

1. To elect three directors, two for a term of three years, and one director for a term of two years.
2. To transact such other business as may properly come before the meeting or to any adjournment thereof.

If a proxy in the form distributed by the Company's Board of Directors is properly executed and returned to the Company, the shares represented by the proxy will be voted at the Annual Meeting of Shareholders and at any adjournment of that meeting. Where shareholders specify a choice, the proxy will be voted as specified. If no choice is specified, the shares represented by the proxy will be voted **FOR** the nominees named by the Board of Directors in the proxy. Shares not voted at the meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting. Votes cast at the meeting and submitted by proxy will be tabulated by Macatawa Bank.

A proxy may be revoked prior to its exercise by delivering a written notice of revocation to the secretary of the Company, executing and delivering a proxy of a later date or attending the meeting and voting in person. Attendance at the meeting does not automatically act to revoke a proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

On February 26, 2003, the record date for determination of shareholders entitled to vote at the Annual Meeting, there were outstanding 7,921,690 shares of common stock of the Company. Shares cannot be voted unless the shareholder is present at the meeting or is represented by proxy. As of February 26, 2003, no person was known by management to be the beneficial owner of more than 5% of the Company's common stock.

ELECTION OF DIRECTORS

The Company's Articles of Incorporation provide for the division of the Board of Directors into three classes of nearly equal size with staggered three-

year terms of office. The number of directors constituting the Board of Directors is determined from time to time by the Board of Directors. The Board is currently composed of five members.

The Board of Directors has nominated G. Thomas Boylan, Arend D. Lubbers and Benj. A. Smith, III for election as directors. Mr. Boylan and Mr. Smith are each incumbent directors and are being nominated for a three year term to expire at the 2006 Annual Meeting. Mr. Lubbers is not an incumbent director and has been nominated for a two year term to expire at the 2005 Annual Meeting.

Holders of common stock should complete the accompanying proxy. Unless otherwise directed by a shareholder's proxy, it is intended that the votes cast upon exercise of proxies in the form accompanying this statement will be in favor of electing each of the nominees named above. Mr. Boylan and Mr. Smith are presently serving as directors of the Company. The following pages of this Proxy Statement contain more information about the nominees and other directors of the Company.

A plurality of the votes cast at the Annual Meeting is required to elect the nominee as a director of the Company. As such, the individual who receives this number of votes cast by the holders of the Company's common stock will be elected as directors. Shares not voted at the meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting. Votes cast at the meeting and submitted by proxy will be tabulated by Macatawa Bank.

Except the persons nominated by the Board of Directors, no other persons may be nominated for election at the 2003 Annual Meeting. The Company's Articles of Incorporation require at least 60 days prior written notice of any other proposed nomination and no such notice has been received. If any nominee becomes unavailable for election due to circumstances not now known, the accompanying proxy will be voted for such other person to become a director as the Board of Directors selects.

The Board of Directors recommends a vote FOR the election of the persons nominated by the Board.

The Board of Directors had 17 meetings in 2002. The Company has no nominating committee. All directors attended at least three-fourths of the aggregate number of meetings of the Board and Board committees which they were eligible to attend.

AUDIT COMMITTEE REPORT

During 2000, the Audit Committee of the Board of Directors developed a charter for the Audit Committee, which was approved by the full Board of Directors on November 14, 2000. The Board of Directors has also examined the composition of the Audit Committee in light of the rules of the National Association of Securities Dealers, Inc. governing audit committees and has confirmed that all members of the Audit Committee are "independent" within the meaning of those rules.

The Audit Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2002.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Form 10-K for the year ended December 31, 2002.

In issuing this report, we note that management is responsible for the Company's financial reporting process, including its systems of internal control, and for the preparation of financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We have relied, without independent verification, on management's representation that the financial statements have been prepared in conformity with U.S. generally accepted accounting principles and on the representations of the independent auditors included in their report on the Company's financial statements. Our discussions with management and the independent auditors do not assure that the financial statements are presented in accordance with generally accepted accounting principles, that the audit of our Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

COMPENSATION OF DIRECTORS

The directors of the Company, excluding officers of the Bank, receive an annual retainer of \$15,000, and are paid \$900 per board meeting attended and \$450 for committee meetings attended. During 2002, Company directors received \$6,000 in annual retainer, and were paid \$600 per board meeting attended and \$450 per committee meeting attended. EXECUTIVE COMPENSATION

Committee Report on Executive Compensation

All of the executive officers of the Company are also executive officers of the Bank, except for Benj. A. Smith, III who is Chief Executive Officer of the Company and Chairman and director of the Bank. Company officers other than Benj. A. Smith, III serve as officers of the Company as an incident to their primary service as an officer and employee of the Bank and receive no compensation directly from the Company.

Decisions on the compensation of the Company's executive officers are made by the Compensation Committee of the Bank. The Compensation Committee met one time during 2002. Mr. Robert DenHerder serves as the chairman of the Compensation Committee.

Chairman and CEO Benj. A. Smith, III is compensated for this role and his position as chairman of the Bank on a salary basis, and does not participate in any incentive compensation program. The Compensation Committee fixed Mr. Smith's salary at \$150,000 per year in 2000, and it has remained at this level through 2002. Periodically the Compensation Committee awards incentive stock options under the Company's stock compensation plan to Mr. Smith, as well as other officers and staff of the Company and Bank. This allows the officers awarded options to share in the appreciation of the Company's stock value as a result of their efforts.

Base Salary — In general, the Board intends to maintain the base salaries of the Company's executive officers and senior managers within peer group levels, with the ability to make appropriate adjustment to reflect other relevant factors, which may include individual performance, experience, expertise and tenure. Annually, the Committee establishes a base wage for the Chief Executive Officer, the President, the Chief Financial Officer, and the Senior Vice President-Loan Administration. The Committee's determination is based upon the performance of the individual and compensation levels established by the Company's peers and evaluations by consultants.

The base salaries of all other officers and senior managers are established by the Bank's President and Chief Executive Officer.

Long-Term Incentives — The Company provides long-term incentives in the form of stock options. Each year the Committee recommends to the Board a list of stock options to be granted. These options are intended to recognize individual contributions and to incentivize employees to contribute to the long-term objectives of the Company. To align the interests of its executive officers, senior managers and all employees with the Company's shareholders, the Board's compensation strategy provides for a 401(k) matching contribution.

TRANSACTIONS INVOLVING MANAGEMENT

Directors and officers of the Company and their associates were customers of, and had transactions with, subsidiaries of the Company in the ordinary course of business during 2002. All loans and commitments included in such transactions were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve an unusual risk of collectibility or present other unfavorable features.

The Bank leases its Trust Department office space located at 106 E. 8th Street, Holland, Michigan 49423, from a corporation wholly owned by Benj. A. Smith, III, an officer and director of the Company. The Bank leased its Wyoming, Michigan branch facility for a portion of the year up to November 2002 from a limited liability company co-owned by John F. Koetje, a director of the Company. Subsequently such lease terminated as the Bank relocated to

a bank owned facility. The terms of these leases were negotiated on an arm's-length basis, and the Company believes that the rent and other terms reflect fair market value.

Mr. Benj. A. Smith, III, the Chairman and Chief Executive Officer of the Company, is also the sole owner and President of Smith & Associates Investment Management Services, an investment advisory firm. Approximately \$103 million of the \$317 million in assets held by Macatawa Bank's trust department at December 31, 2002, represent accounts referred by Smith & Associates to the trust department. These assets were previously held in custodial accounts with other financial institutions. Smith & Associates received no compensation for these referrals. Smith & Associates may continue to refer additional accounts to the trust department, although we do not expect the dollar amount of future referrals to be as large as the initial referrals to the trust department. Most of the accounts referred by Smith & Associates to the trust department are custodial accounts as to which the trust department has no investment responsibility or authority. The trust department is compensated from these accounts for its custodial services. Payments to Smith & Associates for investment services are made from these custodial accounts based on arrangements made directly between Smith & Associates and the trust grantors.

When trust documents give our trust department investment authority, depending on the size and nature of the trust, the trust asset investment services may be handled internally or outsourced. The trust department handles the investment of smaller accounts internally. However, the trust department is not yet internally staffed to perform active investment management services for larger, more complex trusts. For these trusts, the trust department outsources investment management services to one of approximately eight investment advisory firms based on the trust customer's preference. The trust department receives no compensation for these referrals just as it pays no compensation for accounts referred to it. All investment management services provided to our trust department by Smith & Associates have been and will be entered into on terms that are no less favorable to us or our customers than those which can be obtained from unaffiliated third parties. In 2002, total payments to Smith & Associates for investment management services performed on behalf of our trust department were less than \$134,000. The total of these fees was less than the custodial fee revenue received by the Macatawa Bank trust department from custodial accounts referred by Smith & Associates to the trust department.

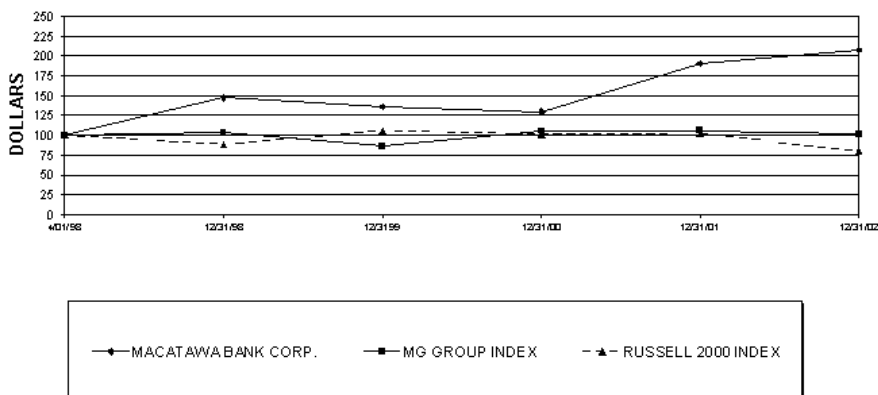

Mr. Jon W. Swets, the Company's Chief Financial Officer, was a partner in the accounting firm of Crowe, Chizek and Company, LLP, the Company's independent accounting firm prior to becoming employed by the Company. Mr. Swets withdrew as a partner and resigned all positions with Crowe, Chizek and Company, LLP effective June 30, 2002, and became the Company's Chief Financial Officer effective July 1, 2002. In 2002 the Company paid Crowe, Chizek and Company, LLP a total of \$304,000 for services rendered.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and officers to file reports of ownership and changes in ownership of shares of common stock with the Securities and Exchange Commission. Based upon written representations by each director and officer, all the reports were filed by such persons during the last fiscal year, except for one late report filed by G. Thomas Boylan with respect to two transactions in a prior fiscal year.

SHAREHOLDER RETURN PERFORMANCE GRAPH

The following graph shows the cumulative total shareholder return on an investment in the Company's common stock compared to the Russell 2000 Index and the Media General Group Index of Regional-Midwest Banks. The comparison assumes a \$100 investment on April 1, 1998, the date of the Company's initial public offering, at the Company's initial public offering price of \$9.34 per share (split-adjusted) and assumes that dividends are reinvested.
