PROXY STATEMENT

**For the Annual Meeting of Shareholders
to be held April 21, 2005**

SOLICITATION OF PROXIES FOR ANNUAL MEETING

This Proxy Statement is furnished to the Shareholders of Macatawa Bank Corporation (the "Company") in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Shareholders which will be held at The Pinnacle Center, 3330 Highland Drive, Hudsonville, Michigan 49426, April 21, 2005, at 10:00 A.M., local time.

The Annual Meeting is being held for the following purposes:

1. To elect two directors for a term of three years.
2. To transact such other business as may properly come before the meeting or to any adjournment thereof.

If a proxy in the form distributed by the Company's Board of Directors is properly executed and returned to the Company, the shares represented by the proxy will be voted at the Annual Meeting of Shareholders and at any adjournment of that meeting. Where shareholders specify a choice, the proxy will be voted as specified. If no choice is specified, the shares represented by the proxy will be voted **FOR** the nominees named by the Board of Directors in the proxy. Shares not voted at the meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting. Votes cast at the meeting and submitted by proxy will be tabulated by Macatawa Bank.

A proxy may be revoked prior to its exercise by delivering a written notice of revocation to the secretary of the Company, executing and delivering a proxy of a later date or attending the meeting and voting in person. Attendance at the meeting does not automatically act to revoke a proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

On February 24, 2005, the record date for determination of shareholders entitled to vote at the Annual Meeting, there were 8,844,527 outstanding shares of common stock of the Company. Shares cannot be voted unless the shareholder is present at the meeting or is represented by proxy. As of February 24, 2005, no person was known by management to be the beneficial owner of more than 5% of the Company's common stock.

ELECTION OF DIRECTORS

The Company's Articles of Incorporation provide for the division of the Board of Directors into three classes of nearly equal size with staggered three-year terms of office. The number of directors constituting the Board of Directors is determined from time to time by the Board of Directors. The Board is currently composed of six members. While the Company does not have a nominating committee, the Company believes that obtaining input from all Directors in connection with Board nominations enhances the nomination process. The Company does not currently have a charter or written policy with regard to the nomination process (other than for shareholder nominations). The nominations of the Directors standing for re-election at the 2005 Annual Meeting were unanimously approved by the Board of Directors, including unanimous approval by the independent Directors of the Board. These independent Directors meet the requirements of independence set forth in the listing standards for NASDAQ.

The Board of Directors has nominated Robert E. DenHerder and Arend D. Lubbers for election as directors. Mr. DenHerder and Mr. Lubbers are each incumbent directors and are being nominated for a three year term to expire at the 2008 Annual Meeting.

Holders of common stock should complete the accompanying proxy. Unless otherwise directed by a shareholder's proxy, it is intended that the votes cast upon exercise of proxies in the form accompanying this statement will be in favor of electing each of the nominees named above. Mr. DenHerder and Mr. Lubbers are presently serving as directors of the Company. The following pages of this Proxy Statement contain more information about the nominees and other directors of the Company.

A plurality of the votes cast at the Annual Meeting is required to elect the nominee as a director of the Company. As such, the individual who receives this number of votes cast by the holders of the Company's common stock will be elected as directors. Shares not voted at the meeting, whether by abstention, broker non-vote, or otherwise, will not be treated as votes cast at the meeting. Votes cast at the meeting and submitted by proxy will be tabulated by Macatawa Bank.

The Board of Directors will consider candidates for director put forward by shareholders. Director nominees should possess the highest personal and professional ethics, integrity and values, and must be committed to representing the long-term interests of the shareholders. They must also have an inquisitive and objective perspective, practical wisdom and mature judgment. The Board of Directors seeks to identify candidates with diverse experience in business, management, marketing, finance, and other areas that are relevant to our activities. Additionally, director nominees should have sufficient time to effectively carry out their duties. Shareholders may propose nominees for consideration by the Board of Directors by submitting the names, appropriate biographical information and qualifications in writing to: Philip J. Koning, Secretary of the Board of Directors, Macatawa Bank Corporation, 10753 Macatawa Drive, Holland, MI 49424-3119. The Company does not pay any third party to assist in the process of identifying or evaluating candidates. In considering any nominee proposed by a shareholder, the Board of Directors will reach a conclusion based on the criteria described above. After full consideration, the shareholder proponent will be notified of the decision of the Board of Directors. The Board of Directors has not rejected any director candidate put forward by a shareholder or group of shareholders that beneficially own more than 5% of the Company's Common Stock for at least one year at the time of the recommendation.

Except the persons nominated by the Board of Directors, no other persons may be nominated for election at the 2005 Annual Meeting. The Company's Articles of Incorporation require at least 60 days prior written notice of any other proposed nomination and no such notice has been received. If any nominee becomes unavailable for election due to circumstances not now known, the accompanying proxy will be voted for such other person to become a director as the Board of Directors selects.

The Board of Directors recommends a vote FOR the election of the persons nominated by the Board.

CORPORATE GOVERNANCE

Meetings of the Board of Directors – The Company’s Board of Directors had seven meetings in 2004. All directors attended at least three-fourths of the aggregate number of meetings of the Board and Board committees in which they were eligible to attend. The Company encourages members of its Board of Directors to attend the Annual Meeting of Shareholders. All of the Directors attended the Annual Meeting of Shareholders held April 21, 2004.

Director Independence – The Board of Directors has determined that all directors except Benj. A. Smith, III and Philip J. Koning are independent within the meaning of the rules promulgated by the National Association of Securities Dealers (NASD).

Meetings of Independent Directors – The Company’s independent directors meet periodically in executive sessions without any management directors in attendance. If the Board of Directors convenes a special meeting, the independent directors may hold an executive session if the circumstances warrant.

Shareholder Communication with Directors – Shareholders may communicate with members of the Company’s Board of Directors by mail addressed to the full Board of Directors, a specific member or to a particular committee of the Board of Directors at Macatawa Bank Corporation, 10753 Macatawa Drive, Holland, Michigan 49424.

Code of Ethics – The Company has adopted a Code of Ethics for Senior Officers. The Senior Officer Code of Ethics is available upon request by writing to the Chief Financial Officer, Macatawa Bank Corporation, 10753 Macatawa Drive, Holland, Michigan 49424.

Problem Resolution Policy – The Company strongly encourages employees to raise possible ethical issues. We maintain a problem resolution hotline to receive reports of ethical concerns or incidents, including, without limitation, concerns about accounting, internal controls or auditing matters. Users of the hotline may choose to remain anonymous. We prohibit retaliatory action against any individual for raising legitimate concerns or questions, or for reporting suspected violations.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors developed a charter for the Audit Committee. The Audit Committee Charter has been filed as appendix A to our 2004 proxy statement. The Board of Directors has also examined the composition of the Audit Committee in light of the rules of the National Association of Securities Dealers governing audit committees and has determined that all members of the Audit Committee are "independent" within the meaning of those rules. The Board of Directors has determined that the audit committee does not have an "audit committee financial expert" as that term is defined by the Securities and Exchange Commission. The Board of Directors has determined that each Audit Committee member has sufficient knowledge in financial and accounting matters to serve effectively on the Committee. The Audit Committee held four meetings during 2004.

The Audit Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2004. The Audit Committee has also reviewed and discussed with management the report of management on internal control over financial reporting as of December 31, 2004.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Form 10-K for the year ended December 31, 2004.

In issuing this report, we note that management is responsible for the Company's financial reporting process, including its systems of internal control, and for the preparation of financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures, and therefore our discussions with management and the independent auditors do not assure that the financial statements are presented in accordance with generally accepted accounting principles. We have relied, without independent verification, on management's representation that the financial statements have been prepared in conformity with U.S. generally accepted accounting principles and on the representations of the independent auditors included in their report on the Company's financial statements.

EXECUTIVE COMPENSATION

Committee Report on Executive Compensation

All of the executive officers of the Company are also executive officers of the Bank, except for Benj. A. Smith, III who is Chairman and Chief Executive Officer of the Company and a director of the Bank. Company officers other than Benj. A. Smith, III serve as officers of the Company as an incident to their primary service as an officer and employee of the Bank and receive no compensation directly from the Company.

The Compensation Committee recommends to the Board of Directors the compensation of the Company's executive officers. The Compensation Committee met three times during 2004. Mr. Benj. A. Smith, III serves as the chairman of the Compensation Committee. The decisions of the Compensation Committee were unanimously approved by the Board of Directors, including unanimous approval by the independent Directors of the Board. These independent Directors meet the requirements of independence set forth in the listing standards for The Nasdaq Stock Market.

2004 Compensation — The Company had an excellent year in 2004. The Company posted record earnings, significant growth and improved profitability. The Committee believes that the leadership provided by Mr. Smith impacted these results.

Chairman and Chief Executive Officer Benj. A. Smith, III received a salary of \$155,769 in 2004. From 2000 to 2003, Mr. Smith's salary has remained constant at \$150,000. The increase in 2004 was the result of an additional pay period. Periodically the Compensation Committee awards stock options under the Company's stock compensation plans to Mr. Smith, as well as other officers and staff of the Company and Bank. This allows the officers awarded options to share in the appreciation of the Company's stock value as a result of their efforts.

Base Salary — In general, the Board intends to maintain the base salaries of the Company's executive officers and senior managers within peer group levels, with the ability to make appropriate adjustment to reflect other relevant factors, which may include individual performance, experience, expertise and tenure. Annually, the Committee establishes a base wage for the Chief Executive Officer, the President, the Chief Financial Officer, and the Senior Vice President-Loan Administration. The Committee's determination is based upon the performance of the individual and compensation levels established by the Company's peers and evaluations by consultants.

The base salaries of all other officers and senior managers are established by the Bank's President and Chief Executive Officer.

Long-Term Incentives — The Company provides long-term incentives in the form of stock options. Each year the Committee recommends to the Board a list of stock options to be granted. These options are intended to recognize individual contributions, to align the interests of employees with the interests of shareholders, and to incentivize employees to contribute to the long-term objectives of the Company. The Company provides a 401(k) matching contribution to all employees participating in the plan.

TRANSACTIONS INVOLVING MANAGEMENT

Directors and officers of the Company and their associates were customers of, and had transactions with, subsidiaries of the Company in the ordinary course of business during 2004. All loans and commitments included in such transactions were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve an unusual risk of collectibility or present other unfavorable features.

The Company has purchased 1.45 acres of land from director John F. Koetje for \$640,000. The land is part of a 5.3 acre site being developed by Mr. Koetje. The terms of the purchase were negotiated on an arms-length basis, and the Company believes that the terms were no less favorable to the Company than could have been obtained from a third party. The Company obtained an independent appraisal to support the purchase price. There was a cooperative effort to build a new road into the development and to develop a storm water detention area for the site. The Company expects to pay two-thirds of the road cost estimated at \$100,000 and one-third of the storm water retention area estimated at \$40,000. The Company is building a new branch on the property.

Mr. Benj. A. Smith, III, the Chairman and Chief Executive Officer of the Company, is also the sole owner and President of Smith & Associates Investment Management Services, an investment advisory firm. Approximately \$195 million of the \$1.044 billion in assets held by Macatawa Bank's trust department at December 31, 2004, represent accounts referred by Smith & Associates to the trust department. These assets were previously held in custodial accounts with other financial institutions. Smith & Associates received no compensation for these referrals. Smith & Associates may continue to refer additional accounts to the trust department, although we do not expect the dollar amount of future referrals to be as large as the initial referrals to the trust department. Most of the accounts referred by Smith & Associates to the trust department are custodial accounts as to which the trust department has no investment responsibility or authority. The trust department is compensated from these accounts for its custodial services. Payments to Smith & Associates for investment services are made from these custodial accounts based on arrangements made directly between Smith & Associates and the trust grantors.

When trust documents give our trust department investment authority, depending on the size and nature of the trust, the trust asset investment services may be handled internally or outsourced. The trust department handles the investment of smaller accounts internally. However, the trust department is not yet internally staffed to perform active investment management services for larger, more complex trusts. For these trusts, the trust department outsources investment management services to one of approximately eight investment advisory firms based on the trust customer's preference. The trust department receives no compensation for these referrals just as it pays no compensation for accounts referred to it. All investment management services provided to our trust department by Smith & Associates have been and will be entered into on terms that are no less favorable to us or our customers than those which can be obtained from unaffiliated third parties. In 2004, total payments to Smith & Associates for investment management services performed on behalf of our trust department were \$147,000. The total of these fees was less than the custodial fee revenue received by the Macatawa Bank trust department from custodial accounts referred by Smith & Associates to the trust department.

The Bank has entered into an Investment Management Agreement under which Smith & Associates provides certain investment management services to the Bank. As of December 31, 2004 the Bank had approximately \$140 million of securities managed by Smith & Associates. The investment services are provided on terms that are no less favorable to us than those which can be obtained from unaffiliated third parties. In 2004, total payments to Smith & Associates for investment management services performed in connection with Macatawa Bank's security portfolio were less than \$35,000.

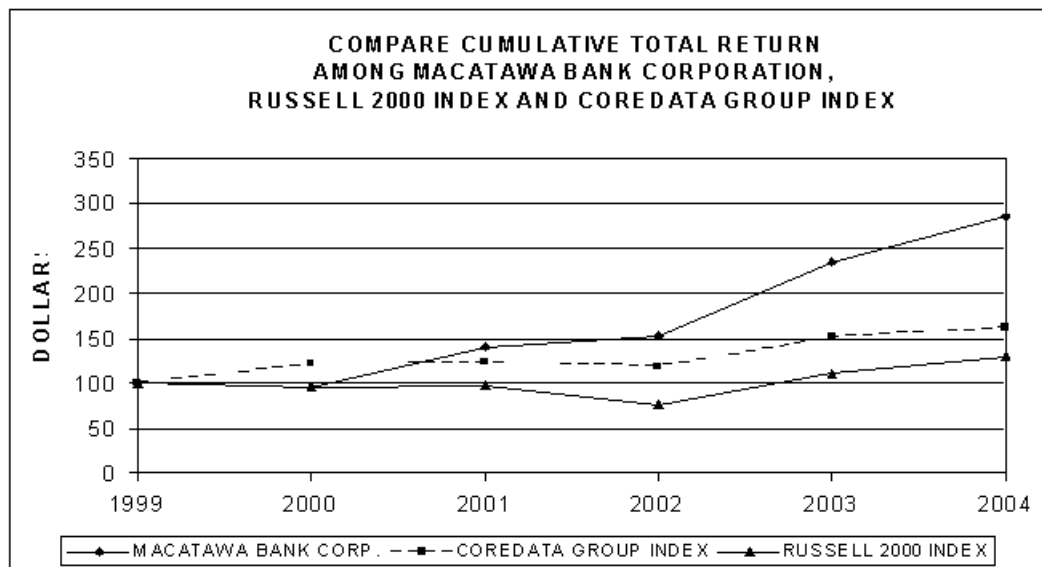

During 2004 the Company revised its consulting agreement with Benj. A. Smith, III, the Chairman and Chief Executive Officer of the Company. The employment agreement provides that beginning on the date that Mr. Smith resigns as Chief Executive Officer of the Company, for a period of six years he will remain employed by the Company at compensation of \$12,500 per month. This Employment Agreement replaces his prior Employment Agreement and includes a revised description of the services to be rendered.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and officers to file reports of ownership and changes in ownership of shares of common stock with the Securities and Exchange Commission. Based upon written representations by each director and officer, all the reports were filed by such persons during the last fiscal year, except for one late report by each director and executive officer with respect to a stock option grant in 2004 and for late reporting of certain stock option transactions of Mr. Tooker.

The Audit Committee has established a policy regarding the pre-approval of all audit and non-audit services provided by the independent auditor. This policy requires the Audit Committee to receive advance approval for specific projects and categories of services. The Audit Committee reviews these requests and advises management if the Committee approves the engagement of the independent auditor. All services performed after the establishment of the policy have been pre-approved pursuant to the policy.
