### **Macatawa Bank Corporation Declares Dividend**

**Holland, Michigan, April 28, 2014** – Macatawa Bank Corporation (Nasdaq: MCBC) (the "Company" or "Macatawa") today announced that its Board of Directors has declared a quarterly cash dividend of \$0.02 per share of its common stock to be paid on May 29, 2014 to shareholders of record on May 8, 2014.

This payment marks the second consecutive quarterly cash dividend since resumption of payment of cash dividends to common shareholders after a hiatus of over five years. Last quarter, the Company's Board of Directors resumed payment of quarterly cash dividends to common shareholders given Macatawa's strong capital position, consistent earnings performance over the last few years, and resolution of all previous regulatory orders last year. Further, in the second half of 2013, Macatawa prepaid and redeemed the Company's subordinated debt, resumed paying interest on its trust preferred securities and completed an exchange of all of its outstanding preferred stock for common stock and cash, all of which also paved the way for resuming dividends to common shareholders.

"We are pleased to announce another dividend," said Richard L. Postma, Chairman of the Company. "This reflects our intention to establish a consistent pattern of paying quarterly dividends given the improved financial condition and earnings performance of the Company."
